## Who Is Mamarji?

Mamarji Contracting & Construction Co. Ltd. is a Jordanian Incorporated company and locally owned. The company offers Engineering Construction and Construction Project management. Mamarji is dedicated to organizations or Individuals seeking construction services to build a better world by applying world-class expertise to solve its clients' greatest challenges. Our employees provide professional and technical solutions that deliver safe, well-executed, capital-efficient projects to our clients.

We gathered experts in the fields of technology, marketing, and engineering who were passionate about improving outcomes for every single detail in a project. And finally, in 2017, we founded Mamarji Contracting & Construction Co. Ltd.

We provide services to the Commercial / Residential real estate developers, Industrial Sector, Educational Sector, and Community and Social Responsibility Projects.

Our area of expertise includes but not limited to building technology, civil and structural engineering, electromechanical engineering and interior design.

We are committed to providing the best possible construction expertise & service to ensure cost effective and successful projects.

We work closely with our clients to accurately interpret their dreams/visions in drawings and bring them to the desired reality through construction solutions to meet their needs; We communicate with our clients throughout the construction process to keep them informed of progress and to ensure that our project keeps on schedule and within budget.
